Queer Atlantic Business Hub (QABH) Launch Event

March 13, 2026 | Moncton, NB (Hybrid In-Person & Virtual Event)

About QABH

The Queer Atlantic Business Hub (QABH) grew out of conversations with 2SLGBTQIA+ entrepreneurs across Atlantic Canada about the need for stronger connection, greater visibility, and business supports that reflect lived experience. Shaped collaboratively with community, the Hub creates space for learning, relationship building, and shared opportunities while supporting the growth and long-term sustainability of queer and trans-led businesses across the region.

The launch of the Queer Atlantic Business Hub marks a milestone moment for 2SLGBTQIA+ entrepreneurship in Atlantic Canada, celebrating the official introduction of a community-led, regionally grounded business hub made by and for queer and trans business owners.
